

Plant Pest and Disease (Eradication)

Cap. 266A.

**PLANT PEST AND DISEASE (ERADICATION)
REGULATIONS, 1985**

1985/213.

Authority: These regulations were made on 9th December, 1985 by the Minister under section 11 of the *Plant Pest and Disease (Eradication) Act*.

Commencement: 9th December, 1985.

1. These Regulations may be cited as the *Plant Pest and Disease (Eradication) Regulations, 1985*.

2. The owner, occupier or manager of any farm, plantation or other premises on which the host plant or alternate host plant of a plant pest or disease is growing shall, in accordance with section 5(c) of the Act, forward the information required under that section in the Form A of the *Schedule*.

Schedule.

3. Where the Chief Agricultural Officer or an inspector is desirous of entering the farm, plantation or other premises of a person in pursuance of section 6 of the Act, he shall issue by registered mail a letter to the owner, occupier or manager of the farm, plantation or premises giving prior notice of his intended entry; and the letter when posted, shall be deemed to have been received by the owner, occupier or manager as the case may be, 48 hours after it was posted.

4. Where a public officer who has been designated as an inspector of plant pest and disease under section 3(2) of the Act enters any farm, plantation or premises for the purpose specified in section 8 of the Act, he shall, if requested to do so by the owner, occupier or manager of the farm, plantation or premises, produce his identification indicating that he has been so designated to the person making the request.

5. (1) Where expenses are incurred by an inspector in giving effect to any directions of the Chief Agricultural Officer under section 8 of the Act, the inspector shall submit details of the expenses to the Chief Agricultural Officer in order to recover the expenses so incurred.
